OWN A TOYOTA, LEXUS, OR SCION?

Trust M & M Import Maintenance For All Your Repair Needs!

Family-owned and operated, M & M Import Maintenance understands that your car is an important investment. Keeping that investment in great shape means getting the repairs you need done without being ripped off. At M & M Import Maintenance, client safety and satisfaction are the highest priorities. Integrity and trust have been the cornerstones of the business since the shop opened its doors in 1997.

Their highly-qualified, ASE-certified mechanics have over 20 years of experience servicing Toyota, Lexus and Scion vehicles. Their mechanics perform routine and major services including oil changes, transmission service, brakes, shocks, struts, electrical diagnosis and repairs, air conditioning service, factory maintenance, engine service and much more. Using only genuine Toyota parts, and the latest technology to analyze, assess and troubleshoot your car's mechanical problems, M & M Import Maintenance ensures that your automotive investment will be protected.

Conveniently located at 10 S 185 Schoger Drive, Unit 74, Naperville (phone 630-375-0400; <http://www.mnimport.com>), M & M Import Maintenance draws clients from all over Chicagoland. Come visit and see why their customers call them "the most trustworthy repair shop in the business."

M & M IMPORT MAINTENANCE INC.

DURABUILT HOME IMPROVEMENTS, INC.

Quality You Can Count On, Durability You Can Depend On!

With the drop in the housing market, one of the best ways to bring your home value back up, is to give your house exterior a face lift. Having new siding installed or a new front entry system dramatically changes the look and adds instant value! Feeling cramped but not the right time to move? Why not increase your living space? Durabuilt Home Improvements is well known throughout DuPage County for highly skilled work and realistic rates. Whether it's windows and doors or siding and roofing or you need your entire home remodeled, they have the experience and professionalism to handle the job correctly. Durabuilt Home Improvements makes a point of only hiring well qualified tradespeople. You can be certain of a beautifully finished job, carried out with only high quality materials and completed in a timely manner. This local firm is fully licensed and insured and offers free estimates. No job is too big or too small, you get quality work for less! They are proud to have given this area's homeowners the quality work that they deserve.

Contact Durabuilt Home Improvements at 630-941-1800 for all your remodeling needs or visit www.durabuilti.com to see specials offered throughout the year.

ASSURED HOME INSPECTIONS, LLC

Serving All Of DuPage County

A home is probably the largest single investment you'll ever make. Therefore, you should know exactly what to expect before you purchase your home, in terms of repairs and maintenance. Assured Home Inspections LLC follows ASHI guidelines and Illinois standards of practice for professional home inspections. Owner, Kendrick Miller, maintains his continuing education to keep him apprised of changes in the building industry. He has worked in the building industry for over 20 years and has hands-on experience. A home inspection is a visual exam of the structure and the systems in the home from top to bottom including the HVAC system, interior plumbing, electrical systems, the roof and visual insulation, walls, ceilings, floors, windows, doors, the foundation, basement and visual structures. For your convenience, Assured Home Inspections LLC offers radon and mold testing and termite inspections. A professional inspection reviews the current condition of your prospective home to determine what may be in need of immediate repair or replacement to enable you to make an informed purchasing decision.

If you are in the process of purchasing a new or existing home, or currently own a home that you would like inspected, contact Assured Home Inspections LLC at 224-520-8333 or visit www.assuredhomeinspect.com.

RIGHT AT HOME

Improving The Quality Of Life Of Those We Serve

People, both young and old, may find themselves in situations when assistance with daily living is required at home. Traditionally, this help has been provided by family members, but as lifestyles have changed, family members alone are not always able to provide this assistance. In response to this need, Right At Home provides affordable, dependable and personalized in-home care. Caregivers can provide personal care, transportation, run errands, prepare meals, do light housework, and assist with personal hygiene and laundry. By offering services for up to 24 hours, 7 days a week, Right At Home, located in Naperville at 1783 S. Washington Street, Suite 108 B, can meet these needs, and provide non-medical in-home healthcare and companionship to the clients who are elderly, disabled or convalescent. This allows each client to maintain independence in the privacy and comfort of their own home. The caregivers and companions are carefully screened, selected, and fully insured. They possess the genuine desire to help people, and are patient and understanding. Right At Home is considered by many as the premier in-home non-medical service in the area.

For more information or to schedule a free in-home consultation, call Right At Home at 630-717-8477 or visit www.rightathome.net.

MPR/MAXSON PLUMBING AND REMODELING, INC.

Family Owned & Operated

Much progress has been made in the last 30 years in the development of new technology affecting the mechanical systems of our homes and commercial buildings. There are new designs, materials and styles increasing the efficiency, environmental compatibility and aesthetic value. MPR/Maxson Plumbing And Remodeling, Inc. has kept current with these advances and is available to serve residential and commercial concerns. This plumbing contractor is licensed, bonded and insured in several Illinois counties. They provide their services in the design and installation of plumbing systems for new construction, kitchen and bathroom remodeling, water and gas hook-ups, hot water systems, drain and sewer line installation, localized drain stoppages and plumbing repairs of all types. Emergencies are given top priority and are handled promptly to help you avoid water damage to your floors, ceilings or belongings.

MPR/Maxson Plumbing And Remodeling, Inc. will be happy to assist you with your plans, furnish a free estimate and explain the differences in water heaters, plumbing designs and new fixtures. They can provide stylish fixtures from the top manufacturers in the country. Call 630-877-1112 or visit www.maxsonpr.com to take advantage of the state-of-the-art plumbing technology provided by MPR/Maxson Plumbing And Remodeling, Inc.

YOURS REDESIGNED

Get The Home You Want, With The House You Have

Times have changed in the real estate market. With more homes available, owners need to maximize a home's assets to make it stand out among the many listings in the area. If you are selling your home, contact GraceAnn Simoni at Yours Redesigned for professional and experienced home staging. Staging prepares your home to sell by appealing to the greatest number of prospective buyers while competing in their price range. Professionally staged homes sell over 50% faster which lessens the expense of keeping it on the market. GraceAnn is a Redesign and Staging Specialist, and color consultant, who evaluates a home's existing design, color scheme, arrangements, furniture and accessories to enhance the interior of your home and its overall curb appeal. She provides clients with a "Buyers-Eye Assessment" of a home for potential realtors and buyers. Her experience and attention to detail will recreate an inviting environment and a lasting first impression.

Call Yours Redesigned at 630-355-1983 or visit www.yoursredesigned.com to help maximize your home sale profit and minimize the number of days your home is on the market.

DR. JEAN M. ALBERTI

"Don't Repeat Problems. Resolve Them"

Today's world offers a wide variety of challenges, personally and professionally. Objective and confidential consultation with Dr. Jean Alberti, a clinical psychologist, can help you make constructive adjustments to anticipated or unexpected changes you may be facing. Over 50% of Dr. Alberti's clients obtain the results they want within 7 sessions by learning to CHANGE their THINKING to CHANGE their LIFE. These changes can happen in weeks, not years, by learning and applying new information, skills and concepts that she teaches. Research and her 30+ years' experience document this as the quickest, most effective approach to resolving one's problems and living a happier, healthier, more satisfying life. Using her many years of teaching experience, her knowledge of child psychology, as well as her experience as a therapist to adult clients, she developed ground-breaking theories on bullying. This led to the establishment of the Alberti Center for the Prevention of Bullying Abuse and School Violence at the University at Buffalo's Graduate School of Education www.gse.buffalo.edu/alberticenter.

Her seasoned therapeutic skills and proven record of successful problem resolution brings confidence to the clients she serves. Dr. Alberti's office is located at 799 Roosevelt Rd., Bldg. 3, Ste. 101 in Glen Ellyn. Call 630-337-0211 for more information and an appointment or visit www.therapists.psychologytoday.com/13208.

WAYNE P. LEONARD ELECTRIC

Family Owned & Operated By United States Veteran Since 1975

As one of the area's leaders in the electrical contracting field, Wayne P. Leonard Electric, located at 114 A.E. Oltendorf in Streamwood, phone 630-837-0044, stands ready to serve business people, homeowners and builders with recognized dependability. Whether the job requires the design and installation of the entire electrical system or the simple replacement of a circuit breaker, Wayne and his sons are who to contact when only the best in electrical contracting will do. They are licensed and insured for your protection. They specialize in all facets of electrical work, including new construction and repairs, rewiring, fuses to breaker conversions, outdoor lighting, computers, hot tubs, ceiling and attic fans, troubleshooting, service upgrades and much more. They service residential, commercial and industrial contracts, large or small.

So when you need an electrician, get their years of experience on your side. Do what general contractors, homeowners and businesspeople throughout the area have done for years. Stay with the professionals by contacting Wayne P. Leonard Electric at 630-837-0044 for 24/7 service or 847-695-0064. You can also visit www.wayneleonardelectric.com.

EVERDRY WATERPROOFING

Not Just Dry, EverDry

Over a period of years, the ground beneath your home or business often settles causing cracks and irregularities in your foundation. Among the many problems this can create is leakage, flooding or dampness in your basement. If this situation sounds familiar to you, you'll be glad to know that EverDry Waterproofing has the solution.

Any size job is welcomed by this firm. They specialize in basement waterproofing and foundation repair. Their patented, safe and 100% effective waterproofing method can be used on foundations consisting of poured concrete, block, brick, stone, red clay tile plus crawl spaces and slabs. Waterproofing your basement will expand the potential livable and usable space in your home. Waterproofing will create a healthier environment by eliminating dampness. Mold thrives in damp environments. FHA and VA codes will be met accurately at a competitive cost. The owners and employees here offer years of experience and are so sure of their methods and workmanship, that they offer a written guarantee on all work they perform. They are licensed and insured for your protection.

For all your basement waterproofing and foundation repair needs, call EverDry Waterproofing at 630-769-9300 or visit www.everdrychicago.com to schedule your free inspection.

AFFORDABLE TUTORING

Over 20 Years Of Experience

SORENSEN HEATING & COOLING
Family Owned & Operated Since 1955-3rd Generation

Recent energy awareness has aroused considerable interest among area homeowners in the field of energy-saving HVAC products. Today's equipment is not only efficient, but technological advances have greatly improved the comfort and dependability of heating and cooling systems. Two stage furnaces and air conditioners heat and cool more evenly, variable speed blowers are extremely quiet, and zoning systems for better temperature control are now widely used. If you are having heating or cooling problems, call the experts at Sorensen Heating & Cooling, located at 576 W. Madison in Lombard. Their commitment is to provide their customers with excellent value and workmanship. They can install a system that is efficient, reliable, and easy to operate. In addition, they take great care to keep your home clean while they are working there. Their sales department will take the time to answer your questions and recommend a system perfect for your particular requirements. With energy costs continually rising, it's a good idea to have your system inspected and cleaned to increase efficiency. Should service be necessary, they can service most all brands of heating and cooling systems and emergency service is available. For more information call Sorensen Heating & Cooling at 630-627-5552.

ABBEYWOOD CAT HOSPITAL
Veterinary Care For Cats Since 1980

Abbeywood Cat Hospital, an exclusive feline facility, is becoming more important each day to the veterinary concerns of the community. This is because the doctors and staff combine a good atmosphere for treatment with all the knowledge and skill of the feline veterinary medical profession. Abbeywood Cat Hospital is dedicated to improving the quality of life for your cats; providing the finest care available. Since cats are very good at hiding even major illnesses, they encourage regular preventative care. This also helps avoid many more expensive and serious problems later. A special area of focus is Senior Wellness Evaluation and Risk Management for the older feline. Abbeywood Cat Hospital, located where Downers Grove meets Westmont at 6323 Fairview Avenue in Westmont, offers high quality medicine, surgery and dentistry. They are continually making changes in order to keep up with the rapid developments in Feline Medicine. Every year they reach out to serve an ever-expanding area. They will continue to guard the health and welfare of the cats in our community. Call Abbeywood Cat Hospital at 630-969-5432 or visit www.abbeywoodcathospital.com for more information or an appointment.
